**DETAILED ACTION**

***Response to Amendment***

1. The amendment received 01-09-2008 has been entered. Claims 11-14, 16-24, 26-31, 33-41, and 43-46 are pending.

***Allowable Subject Matter***

2. Claims 11-14, 16-24, 26-31, 33-41, and 43-46 are allowed.
3. The following is an examiner's statement of reasons for allowance:
4. Regarding claims 11 and 28, the prior art of record fails to disclose or suggest the invention as claimed in detail, specifically the telescoping handle comprising: a reinforcing mechanism inserted inside the hole, secured to the member, and not projecting beyond the internal surface, wherein the reinforcing mechanism is configured to reinforce the hole in such a manner as to distribute forces imparted by the locking pin.
5. Regarding claim 45, the prior art of record fails to disclose or suggest the invention as claimed in detail, specifically the telescoping handle comprising: an exterior surface of the side wall having an annular raised lip extending along a periphery of the hole; an interior surface of the side wall having an annular recess along the periphery of the hole, the recess having a generally L-shaped cross-sectional contour taken along the plane extending through the longitudinal axis of the external segment; an annular washer positioned against the raised lip and having an outer perimeter with a radius substantially equal to the outer radius of the raised lip; an eyelet having a middle portion extending through the hole and the washer, and an outer, portion outwardly extending from the hole with a curved outer edge curling back towards and in contact with the washer; the eyelet further having an inner portion extending into the recess of the

interior surface of the side wall with an exposed face of the inner portion of the eyelet lying substantially flush with the inner face of the side wall; and the raised portion, washer and eyelet affording additional support to the side wall of external segment to help reduce deformation of the hole by the locking pin when extended through the hole.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
